

# Yokogawa Group

## Safety & Health Policy Statement

In recognition that safety and health are a basis for the management of the Yokogawa Group, the Group shall pursue the following initiatives to promote, create and maintain safety and health for its personnel involved.

- Observe the laws and regulations relating to safety and health.
- Establish and promote a safety and health management system.
- Seek to eliminate or lessen risks to safety and health by first assessing their danger level.
- Promote open communications with Yokogawa Group personnel, customers, shareholders, members of the local community, and contractors to maintain safety and health system.
- Provide the education and training to Yokogawa Group personnel.
- Invest management resources appropriately, perform audits on a regular basis and make continual improvements in the Yokogawa Group safety and health system.
