Yokogawa Announces 5th Annual Users Group Conference Get Jazzed on Yokogawa Solutions!

Newnan, Georgia – Yokogawa Corporation of America announces its 5th annual Users Group Conference to be held May 4th – 6th at the [Chateau Sonesta Hotel](#) in New Orleans, Louisiana.

At the conference, you'll hear examples of how Yokogawa's Automation Solutions have helped their customers increase the level of performance and reliability in their plants. You will have the opportunity to meet plant managers, project engineers, product specialists, integrators, representatives, and other users who will help resolve your automation challenges. The Conference will begin with a welcome reception on Monday Evening May 3, and continues with Product Roadmaps, Users Forum and a Solutions Showcase. Enjoy a riverboat dinner cruise and all the amenities of New Orleans near the French Quarter

Yokogawa is committed to being a technology oriented solutions provider by continuing to develop new instrumentation and control systems for our core interest – ***Our Customers!*** Yokogawa has pledged to focus our vision on industrial automation, test and measurement, information technology, service and training. Come to New Orleans and get jazzed on the latest in Yokogawa solutions.
