Yokogawa Supports Hurricane Katrina Disaster Relief

Tokyo, Japan - Yokogawa Electric Corporation announces that it is making a 10 million yen (approximately \$90,000 U.S. dollars) contribution to aid the victims of Hurricane Katrina on the Gulf Coast of the United States. This donation is being made through the Japan Red Cross to the American Red Cross.

Yokogawa feels great compassion for those affected by this devastating hurricane and sincerely hopes that the region and its people make a swift recovery.

About Yokogawa

Yokogawa's global network of 18 manufacturing facilities, 83 affiliate companies, and over 650 sales and engineering offices spans 28 countries. Since its founding in 1915, the US\$4 billion company has been engaged in cutting-edge research and innovation, securing more than 7,000 patents and registrations, including the world's first digital sensors for flow and pressure measurement. Industrial automation and control, test and measurement, information systems and industry support are the core businesses of Yokogawa.
