### **Willem Stikvoort to Head Yokogawa Canada, Inc.**

Yokogawa Corporation of America announced that it has named Willem (Wim) Stikvoort as President of Yokogawa Canada, Inc., effective January 2, 2007.

For the past 35 years, Stikvoort has been a key player in managing some of the largest and most complex projects in the world. He has worked with end user companies such as Sasol and Caltex as well as EPC companies like Argus, JGC and Flour. In his capacity as President of Yokogawa Canada, Stikvoort will be responsible for the direct and indirect sales, service, operations and financial results of Yokogawa Canada, Inc.

"This is an exciting time for our business in Canada," said David Johnson, President & CEO, Yokogawa Corporation of America. "I have the utmost confidence in Wim's leadership of our team in Canada to help us continue the tremendous strides we have made in this market during the past 18 months.

"Our commitment to our customers and our growth in Canada are only limited by our imagination."

In May 2007, Yokogawa Canada, Inc. will move into a new, 25,000-square foot facility in Calgary. The new office will be located at Bay 4 11133-40<sup>th</sup> Street SE, Eastlake Bldg #2, in Calgary, AB, Canada.

### **About Yokogawa Corporation of America**

Yokogawa Corporation of America is the North American unit of \$4 billion Yokogawa Electric Corporation, a global leader in the manufacture and supply of instrumentation, process control, and automation solutions.

Headquartered in Newnan, Georgia, Yokogawa Corporation of America serves a diverse customer base with market-leading products including analyzers, flowmeters, transmitters, controllers, recorders, data acquisition products, meters, instruments, distributed control systems, and more.
