### **Richard Gaas Vice President North America**

Sugar Land, TX – Yokogawa Corporation of America announced today that Richard Gaas has been promoted to Vice President, North America.

“Richard’s leadership and vast experience in the industry will help to better position us in our bid for global No. 1 in Industrial Automation,” said David Johnson, President and CEO of Yokogawa of Corporation of America.

Gaas will be responsible for running sales and marketing in North America. His new role is an extension of his current Global Major Account responsibilities combined with the management of regional sales and Yokogawa’s growing service business.

#### **About Yokogawa Corporation of America**

Yokogawa Corporation of America is the North American unit of \$4 billion Yokogawa Electric Corporation, a global leader in the manufacture and supply of instrumentation, process control, and automation solutions. Headquartered in Newnan, Georgia, Yokogawa Corporation of America serves a diverse customer base with market-leading products including analyzers, flowmeters, transmitters, controllers, recorders, data acquisition products, meters, instruments, distributed control systems, and more.
