### **Yokogawa Corporation of America provides IACET CEUs**

The International Association for Continuing Education and Training (IACET) has awarded Yokogawa Corporation of America the prestigious Authorized Provider status.

IACET Authorized Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The recognition period extends for five years, and includes all programs offered or created by our Education Center during that time

In order to achieve Authorized Provider status, Yokogawa Corporation of America completed a rigorous application process, including a review by an IACET site assessor, and successfully demonstrated adherence to the ANSI/IACET 1-2007 Standard addressing the design, development, administration, and evaluation of our programs. Yokogawa Corporation of America has pledged its continued compliance with the Standard, and is now authorized to use the IACET name and Authorized Provider logo on promotional course material. In addition, we are now linked to the IACET web site and recognized as offering the highest quality continuing education and training programs.

## **About Yokogawa Corporation of America**

Yokogawa Corporation of America is the North American division of \$ 4 billion Yokogawa Electric Corporation, a global leader in the manufacture and supply of instrumentation, process control and automation solutions.
