

	TUESDAY, May 19			WEDNESDAY, May 20			THURSDAY, May 21		
7AM	Continental breakfast / Exhibition								
8AM	General Session Keynote Industry Outlook Discovery Ballroom 8-noon			General Session Technology Keynote/ Yokogawa Roadmaps 8:00 -9:45 AM				User Conference Session #5 8:00 - 9:45 AM	Exhibition 8:00-noon
9AM				Free Training True Laser Diode 10:15-noon	User Conference Session #3 10:15 AM-noon	Exhibition 9:45-noon	Free Training Fieldmate 10:15-noon	User Conference Session #6 10:15 AM - noon	
10AM									
11AM									
NOON	Continental / Exhibition								
1PM	Exhibition Open 1:00-5:00 PM	Free Training Guide to Using Ethernet 1:00-2:45 PM	User Conference Session #1 1:00 - 2:45 PM	User Conference Session #4 1:00 - 2:45 PM	Exhibition 1:00 - 3:00	User Conference Closes 1 PM			
2PM			User Conference Session #2 3:15 - 5:00 PM	User Only Meeting 3:00 - 5:00 PM					
3PM									
4PM									
5PM				Exhibition - Legends Ballroom 5:00 - 7:00 PM					
6PM	Customer On-site Networking Party 6:00 - 9:00 PM								
7PM									
8PM									
9PM									

Tuesday May 19, 2009

General Session - Discovery Center, InterContinental Hotel, First Floor					
Time	Subject	Speaker	Company		
7:00 AM	Continental Breakfast				
8:15 AM	Agenda	Con Lau	Yokogawa Corporation of America		
8:25 AM	Opening Address	Dave Johnson	Yokogawa Corporation of America		
8:45 AM	Welcome	Matt Arcy	Chevron		
9:00 AM	Keynote	Terry Jones	Travelocity		
9:30 AM					
10:00 AM	Break				
10:30 AM	Industry Outlook	Mark Peters	Hydrocarbon Processing		
11:00 AM					
11:30 AM	Technology/Best Paper Award Presentation	Bruce Jensen	Yokogawa Corporation of America		
12:00 PM					
12:30 PM	Lunch				
Technical Session 1 - 2nd Floor, InterContinental					Seminar - 1st Floor
Time	Tutorial Session - Safety Systems	Presentation Session - Fieldbus Diagnostics	Presentation Session - Project Execution	Presentation Session - Applications 1	IA Seminar
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	Ethernet Networking Mark Cureton - Yokogawa
Moderator	Moderator - Matt Arcy	Moderator - Dr. Chin Hieng Yong	Moderator - Chuck Fortner	Moderator - Chuck Hartshorn	
1:00 PM	SIS Lifecycle Tutorial	Field Diagnostics	Building the Right Team	Turbo Machinery Control	
1:15 PM	Kevin Mitchell - Kenexis Consulting	Stephen Mitschke - Fieldbus Foundation	Andy Venables - Bigler	Denny Younie - Wood Group	
1:35 PM					
1:55 PM		Foundation Fieldbus Maintenance	Chevron Upstream MAC Philosophy	Optimal Allocation of Multiple Fuel Boilers	
2:10 PM		Amit Ajmeri - Yokogawa	Bob Mack, Russell Griffith - Chevron	Alex Dunn - Yokogawa	
2:30 PM					
2:45 PM	Technical Session 2 - 2nd Floor, InterContinental				
Break	Presentation Session - Off-shore Applications	Presentation Session - Fieldbus Applications	Presentation Session - Asset Management	Presentation Session - Applications 2	
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	
Moderator	Moderator - Chuck Harshorn	Moderator - Matt Arcy	Moderator - Dr. Chin Hieng Yong	Moderator - Darren Goodlin	
3:15 PM	Integrated Safety Solutions for Increasing the TCO Benefits	Realizing the FF Value Proposition	PRM Implementation Strategies	Implementing a High-Resolution Time Synchronization Solution	
3:30 PM	Jimmy Yap, Chevron	Verhappen, Highton, Cantu - MTL	Amit Ajmeri - Yokogawa	Joel Langill - Englobal	
3:50 PM					
4:10 PM	Case Study on Automation using DCS for Deep Sea Grassroots Platform in Gulf of Mexico	Lessons learned in Commissioning Foundation Fieldbus	Asset Management for Offshore Installations	DCS Inventory Management	
4:25 PM	Anne Doyle - Shell	Bernd Schuessler, Pepperl + Fuchs	Hongmei Ren, Jay James - Chevron	Todd Ewald - GMP	
4:45 PM					
6:00 PM					
7:00 PM	Customer Appreciation Party (Discovery Center)				
8:00 PM					
9:00 PM					
9:00 PM					
10:00 PM					

Wednesday, May20, 2009

General Session - Discovery Center, InterContinental Hotel, 1st Floor					
Time	Subject	Speaker	Company		
7:00 AM	Continental Breakfast				
8:00 AM	Welcome/Introductions	Matt Arcy	Chevron		
8:10 AM	Technology Keynote	David Lassiter	Microsoft		
8:30 AM					
9:00 AM	Yokogawa Roadmaps	Bruce Jensen, Brad Byrum	Yokogawa		
9:45 AM	Technical Session 3 - 2nd Floor, Intercontinental				Seminar - 1st Floor
Break	Presentation Session - Alarm Management 1	Workshop Session - Fieldbus Tools	Tutorial Session - Wireless HART	Workshop Session - CENTUM VP	IA Product Seminar
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	True Diode Laser System Don Wyatt, Yokogawa
Moderator	Moderator - Dr. Chin Hieng Yong	Moderator - Chuck Fortner	Moderator - Darren Goodlin	Moderator - Chuck Hartshorn	
10:15 AM	Alarm Rationalization - Why	Process of Replacing FF Devices using Device Panel	Wireless HART	CENTUM VP - Graphics and Custom Faceplates	
10:30 AM	Chris Bamber - Yokogawa	Ricardo Tozzi - Yokogawa	Ron Helson - HART Communications Foundation	Steve Lazok - Yokogawa, Olivier Suc - GMP	
10:50 AM					
11:10 AM	Centralized Alarm Management		Wireless HART Implementation		
11:25 AM	Brandon Parker - Black&Veatch, Sean Smiley - Yokogawa		Gary Reeves, Yokogawa		
11:45 AM					
12:00 PM	Lunch				
12:30 PM	Lunch				
	Technical Session 4 - 2nd Floor, Intercontinental				
	Presentation Session - Applications 3	Presentation Session - System Interfaces	Presentation Session - Wireless	Workshop Session - EXA	
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	
Moderator	Moderator - Darren Goodlin	Moderator - Dr. Chin Hieng Yong	Moderator - Matt Arcy	Moderator - Chuck Fortner	
1:00 PM	ControlStation Tuning - Theory and Practice	3rd Party Interfaces to CENTUM	Industrial Wireless Applications	Using Exaquantum/Batch - Batch Reporting	
1:15 PM	Bob Rice - Control Station, Chris Bamber - Yokogawa	Ernie Smith - GMP	Stephen Lambright - Apprion	Eric Heavin, Yokogawa	
1:35 PM					
1:55 PM		Considerations for Enterprise Interface	Application of Wireless Instruments		
2:10 PM		Dave Emerson - Yokogawa	Gary Youell - Savannah River Nuclear		
2:30 PM					
2:45	Break				
	User Only Session				
3:00 PM	Overview				
3:30 PM					
4:00 AM					
4:30 PM	Wrap-up				
5:00 PM	Technology Fair Party				
6:00 PM	(Legends Ballroom)				
7:00 PM					

Thursday, May 21, 2009

7:00 AM	Continental Breakfast				
Technical Session 5 - 2nd Floor, Intercontinental					
Time	Presentation Session - Standardization	Presentation Session - Field Interfaces	Presentation Session - Network Security	Workshop Session - CENTUM/EXA	
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	
Moderator	Moderator - Chuck Hartshorn	Moderator - Darren Goodlin	Moderator - Matt Arcy	Moderator - Chuck Fortner	
8:00 AM	Benefit of Standardization for Batch Projects	Industrial Field Networks	Network Security	Useful Scripts for CENTUM and Exa	
8:15 AM	Chuck Hartshorn	Jim Masterson - Turck	Dominic Iadonisi - RuggedCom	Jack May - Yokogawa	
8:35 AM					
8:55 AM	Modular Procedural Automation	CENTUM Interface to AS-i and DeviceNet in the Ethanol Industry	Cyber Security Solutions		
9:10 AM	Maurice Wilkins - Yokogawa	Phil Murray - Feedforward	Walt Sikora - Industrial Defender		
9:30 AM					
9:45 AM	Technical Session 6 - 2nd Floor, Intercontinental				Seminar - 1st Floor
	Tutorial Session - Alarm Management 2	Tutorial Session - Upstream Solutions	Workshop Session - Wireless Networking	Workshop Session - CENTUM Tools	IA Products Seminar
Room	Champions I & II	Champions III	Champions V	Champions VI & VII	Fieldmate 201 Chris Schneider, Yokogawa
Moderator	Moderator - Matt Arcy	Moderator - Dr. Chin Hieng Yong	Moderator - Darren Goodlin	Moderator - Chuck Hartshorn	
10:15 AM	Configuring CAMS - A Beginners' Guide	FASTTOOLS SCADA	Industrial Wireless Networks Hands-on Lab	Productivity Tools in CENTUM	
10:30 AM	Fred Woolfrey - Yokogawa	Ming Zhang - Yokogawa	John Mower - Hirschmann	Gary Reeves - Yokogawa	
10:50 AM					
11:10 AM		Low Power RTU		Implementation and use of Smart Parts	
11:25 AM		Ming Zhang - Yokogawa		Jim Berry - Yokogawa	
11:45 AM					
Lunch
