

Full Control at Your Fingertips

Full Control at Your Fingertips

Integrated PID and Ladder Sequence Control

Configuration via Bus-powered USB Cable

Scrolling Text, Multi-Lingual

Communication Function

Advanced Control

- PID Control
 - 8 built-in Control Functions
 - 8 built-in Control Algorithms
- Ladder Sequence Control
- Fuzzy Logic Control

Simplicity

- Bright & Easy-to-read Active Color LCD Display
- Scrolling Text
- Navigation Guide & Navigation Keys
- Programmable function keys
- User-settable default values
- Multiple language support
- Compact design

Networking

- Ethernet (Modbus/TCP)
- RS485 (Modbus/RTU, Peer to Peer, Coordinated Operation, PC-Link)
- PROFIBUS-DP

Reliability

- 3 year warranty
- RoHS / WEEE
- NEMA4 / IP56 front panel
